

Entertainment Weekly's 2003 "IT STAND-UP"

Todd Barry

**SUPER
LIVE MEGA
CONCERT!**

You absolutely know him from
**CONAN, LETTERMAN, DR. KATZ,
COMEDY CENTRAL, the LARRY
SANDERS SHOW, SPACE GHOST
COAST to COAST and POOTIE TANG!**

"Todd Barry slings deliriously funny observations with a dry, squirrely delivery tuned as tight as a mandolin. He's a writer's comic through and through, blushing through highly edited routines in which no single word falls out of place."
